

ST BERNADETTE LIFESTYLE VILLAGE AT SEMBAWANG

Premier Senior Living

**Come and experience
your new home now !**

We are a modern assisted living facility and community for seniors, allowing residents more independence in their daily lives while still being supported by trained caregivers.

Seniors can live the life they want with assisted care.

If you or loved one is living alone, isolated, and need help with daily living and personal care, this may be an option for you.
